VOLVO ANNOUNCES A BIG NEW CONVENIENCE FEATURE. US.

Volvo has just appointed us your neighborhood Volvo dealer. A device designed to save you time and trouble when you go out to buy a Volvo.

We've stocked our showroom with new Volvo sedans, station wagons, and the elegant 264. And we've stocked our parts and service department with parts for them.

And so, since you're already in the area, drop by.

After all, if you've put off buying a Volvo because the dealer was too far away, you've lost your last excuse.
