Ist Entry in Youngstown Golf Layout Here Stone Buick Condition Agents Condition Control of Control

A new nine-hole golf course for the use of Cleveland district players is now in operation on Royalton Road (Route 82) at Prospect, in Strongsville.

The layout, par 33, with five; threes, is the Rockledge Golf Club, and is owned by Frank W. Shackleton of the public relations firm of Moore and Meldrum.

Five years ago Shackleton bought the 35-acre property will and a 125-year-old farmhouse where he now resides, at 21281 Royalton Road. Doing much of the work himself, with tractors mowers, and other equipment, he constructed the course over a period of four seasons.

Longest is 350

The longest hole is 350 yards and the shortest a tiny 85-

Shackleton doesn't claim to be a golfer, but was associated in the promotion of the Carling Open tournaments here. He is 42, and a graduate of West High and Ohio University.

Associated with Shackleton in the construction is his brother-in-law Norman Willbond Purdue Wins and his two sons, Roger and Gordon Willbond, and Ollie Scholz of North Royalton.

Shackleton has set green fees cepted.

Frank W. Ermer, associated with the Ridgewood Country ago, has retired as club manager and has been succeeded by His 69, following par-equaling 71 in the morning, gave veteran who has been Ermer's Ermer decided that he had

been active long enough and is going to take life easy. During dent of the National Golf ciation.

Ermer and the late G. T (Dick) Whitmore, who died in 1958, developed Ridgewood into one of the most popular golf spots in northern Ohio. When Ridgewood was threatened with reduction to nine holes because of residential building. Whitmore and Ermer re-designed the layout to keep it at 18

Was Caddie Master

Hoag, with Ridgewood many vears, started as caddie master. Ermer's son is the Ridgewood course superintendent. The course opened in 1925, and the senior Ermer helped build it. Ridgewood professional, has been with the club for three decades.

The Cleveland District Golf Association's opening tournaball championship, is sold out Henry Picard of Canterbury tion here in 1957 when he won and Denny Shute of Akron the championship of the Clevelaken. A field of 250 will start in the first round at Beech mont, Thursday, June 2, with Few low scores are expected mont in the final at Canterbury. The second 18 at Kirtland.

Harry Pollock, the C.D.G.A secretary, also reports that more than 150 entries have been received for both mixed medal championship, July 7 at Coun-try Club and Westwood, and the 25 at Chagrin Valley and The ball is the Wilson Staff, Sleepy Hollow.

> More than 100 members of the Sales Executive Club will tee off at 1:30 p. m. Thursday in their annual Spring tournament at Chagrin Valley. Brew Williams is chairman of the in the world—as our happy family

John Allen, player at Elyria, holed a six iron shot on the fly available. Fun for the whole famfor an eagle three on the 508yard second hole, a 508-yarder and a rugged par five.

Opportunities Field Engineers

Leading manufacturer of television camera systems has several openings for experienced electronics personnel to serve as home-based field engineers. Qualified applicants will receive factory training and live in small Lake Michigan resort town near Chicago. Travel mostly short trips out of plant.

plant.
Require three to five years electronics experience in communications, broadcast-ing, computors or radar plus at least two years of ac-credited technical school training. Relocation assist-ance and attractive salaries, commensurate with educa-tion and experience.
